## WSET Level 2 Award in Wines

The WSET Level 2 Awards in Wines is intended for people who have little or no prior knowledge. It is suitable wherever a good level of wine knowledge is required to underpin job skills and competencies, for example in the customer service and sales functions of hospitality, retailing and wholesaling industries. It is also useful for those who have a general interest in wine and wish to broaden their knowledge. Successful candidates will be able to describe and compare the styles of wines produced from internationally and regionally important grape varieties, interpret wine labels from the main wineproducing regions of the world and give basic guidance on appropriate selection and service, as well as understand the principles of wine tasting and evaluation.

There are no entry requirements for this qualification. You must be of legal drinking age in the country where you are attending the course to participate in any alcohol tasting. However, this is not a barrier to successfully completing the qualification.
